zehnder arcus II

Arcus II radiator, with its curved, oval shaped steel tubes and decorative cover – it is not just a bathroom radiator but it is also an original design element, able to decorate the kitchen or the fitness salon. The Arcus II model offers a wide range of surface finishes for the tubes and the cover – from the standard white to an endless combi-

nation of colours or chrome plated surfaces. And one more feature: the stainless steel cover may be perforated.

The masking cover hides all main connection elements. The radiators are supplied ready for installation, complete with double brackets for concealed mounting. Arcus II radiators may be water-filled or electric.

Material: Steel

Operating pressure: up to 12 bar

Tube finish: enamel (colour selection shown in Zehnder catalogue), chrome plating

Cover finish: enamel (colour selection shown in Zehnder catalogue), chrome plating, and perforated stainless steel.
